Perilous times have come, And worse times await.

Hearts of Love is a non-profit ministry, dedicated to spreading the Gospel of Jesus Christ whenever and wherever we find open doors. Our first priority is to glorify God and lead whomever possible to a saving knowledge of Jesus Christ as Lord and Savior. Please pray for us faithfully. We need your prayer, and we appreciate it more than we could ever say. Please consider us an extension of your ministry in this world, and support us with your prayer as such.

***May God richly
bless you!***

Paul warned us in 2 Tim 3, 'But know this, that in the last days, perilous times will come: For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, unloving, unforgiving, slanderers, without self-control, brutal, despisers of good, traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, having a form of godliness but denying its power. And from such people turn away!'

We are in perilous times; we are in the last days; all around us evil rises on every side; it didn't rush in like a flood but rather, seeped in little by little, like the leak in a sewage line, until now it's become a flood which threatens to sweep away anything of good that's left in this country. Just imagine what it will be like, one day very soon when the Holy Spirit removes His restraint of evil. The return of the Lord Jesus Christ cannot be far from now. Are you ready?

Isaiah wrote, 'Woe to those who call evil good, and good evil; who put darkness for light, and light for darkness.' Isa. 5:20 Could anything better describe our time! As this midterm election season plays out, lines and sides could not be more obvious. The Left seems to have gone absolutely crazy in their assault of anything good or right. Their leaders openly advocate for violence against anyone who disagrees with them on any issue whatsoever.

Hillary Clinton said the Left could not be civil with those who disagree with their positions until they were back in power. Many Democrat leaders and their Media lapdogs have called for assault and violence against anyone who disagrees with them.

*He has committed to
us the word of
Reconciliation.*

*Therefore, we are
Ambassadors for Christ.*

2 Corinthians 5:19,20

MSNBC's Joe Scarborough used the 17th anniversary of 9/11 to declare President Trump a bigger threat to America than terrorists who killed 2,977 on that day. Broadway celebrity Carole Cook told a TMZ reporter in reference to Trump, "Where's John Wilkes Booth when you need him?" In June, Maxine Waters said, "If you see anybody from [the Trump] Cabinet in a restaurant, in a department store, at a gasoline station — you get out and you create a crowd. And you push back on them. Tell them they're not welcome anymore, anywhere!" Republican politicians and staffers are now routinely hounded out of restaurants, theaters and other venues. Nancy Pelosi said, 'if there's some collateral damage for some others who do not share our view, well, so be it ...'

Dennis Prager wrote, 'The American left has put itself in a moral quandary: Either it doesn't mean it when it calls the president and his supporters Nazis, in which case it is merely guilty of cheapening and actually denying the Holocaust, or it does mean it, in which case morality demands it take

violent action against Trump supporters.'

This year, the Left's most inviolable sacrament is unfettered abortion on demand. They have finally thrown off even the pretense of normal human decency. They refuse to even allow that the murder of babies just before or just after birth is morally questionable. The movie about Kermit Gosnell helps to shed a little light on their evil.

Their wild and frenzied attempt to destroy the life, family and career of Justice Brett Kavanaugh had nothing to do with a supposed incident from his high school years and everything to do with the Left's panic over losing control of the Supreme Court of the United States which has been their primary means of advancing their agenda throughout the past generation. With the realization that Kananaugh would establish a fairly secure 5-4 relatively conservative majority along with the looming death or retirement of Justice Ginsberg and also possibly Justice Kagan for health reasons, the Left is in full panic mode and

will stop at nothing to keep judicial power from finally slipping through their fingers.

Chelsea Clinton recently stated that as a 'deeply religious person,' she thought it would be unconscionable and **unchristian** (to reinstate restrictions on abortion.) No one on the Left challenged that assertion at all. In fact, many so called Christians are just as staunchly pro-abortion as anyone else on the Left.

The RCRC is the '**Religious Coalition for Reproductive Choice.**' Their website RCRC describes itself as, '**Pro Faith. Pro Family. Pro Choice. The Religious Coalition for Reproductive Choice (RCRC) is a broad based national interfaith movement that brings the moral force of religion to protect and advance reproductive health, choice, rights and justice through education, prophetic witness, pastoral presence and advocacy.**' **RCRC values and promotes religious liberty which upholds the human and constitutional rights of all people (except the unborn) to exercise their conscience to make their own reproductive health decisions without shame and stigma. This fall, we'll be conducting blessing ceremonies at local abortion clinics. We look forward to celebrating and recognizing the sacred worth of patients and providers.** These are so called Christians who are blessing abortionists while cursing babies. They 'promote **a constitutional right to abortion.**' That is the reason for panic over the elevation of Brett Kananaugh to the Supreme Court. 45 years ago, the leftist Court suddenly *discovered* a magical constitutional right to abortion which had somehow been overlooked for the past 200 years and must be protected above all else. *Unfettered abortion is good; even the slightest dissent is evil. Killing unborn babies is good, any protection*

of unborn babies is evil. 'Woe to those who call evil good, and good evil.'

The Left was unable to accomplish their goals through political discourse and valid elections so it had to be done through judicial fiat.

The same has been true regarding homosexual marriage. In 2008, the California Supreme Court overturned the will of the people of California who had voted overwhelmingly, 61-39%, in favor of Proposition 22 which defined marriage as being **exclusively between one man and one woman**. Associate Justice Marvin R. Baxter, writing for the minority, wrote, "Undeterred by the strong weight of state and federal law and authority, the majority **invents a new constitutional right**,"

The U.S. Supreme Court ruled in 2015, declaring homosexual marriage a Constitutional right nationally, by a narrow margin of 5-4. Justice Scalia wrote, "The opinion is couched in a style that is as pretentious as its content is egotistic... of course the opinion's showy profundities are often profoundly incoherent." Chief Justice Roberts wrote, 'By all means... celebrate the availability of new benefits. But do not celebrate the Constitution. It had nothing to do with it.'

Last month, a man who identifies himself as a woman won the women's World Bicycle Championship. He proudly stated, "This is bigger than sports, and it's about human rights," The real woman who came in 3rd said, 'it's definitely NOT fair' after losing in the world championship race. The same thing has also been happening in other sports around the country.

Trump is considering legislation which would undo some of the foolishness of the Obama years with a return to defining gender as male and female... sort of like God did. Some cannot understand how Evangelicals can support Trump. It's simple, really. The Left hates Trump like it hates us. Of course he is flawed, just like all of us. Moses and David were murderers. Samson was sleazy with Delilah. Peter was a coward. God uses the weak and foolish things of the world to confound those who hate Him. If our only alternative is the Left, who despise and would undo everything we hold to be true, the choice is simple. Also, just as importantly, Trump fights back! When the Left and their Media lapdogs hit Trump, he hits back, twice as hard... like we wish we could.

Let me be clear: I am not judging or condemning homosexuals, transgenders or anyone who's had an abortion. I am simply recognizing the evil that is behind all of these demonically inspired movements. I am not advocating

politically, or calling for violence against any of them. Righteousness, goodness and peace... they will never be accomplished through the ballot box but only when Jesus Christ returns to set up His Kingdom. Even if the Right prevails in this election and the Left is destroyed... it will only be a short reprieve. Evil will rise and fill the Earth soon. The Lord Jesus Christ will return, at any moment, in the clouds to remove His Body, the true Church and then He will remove the Holy Spirit's restraint of evil which will rush in like a flood, overwhelm-ing this nation and every nation under the power and rule of the Antichrist along with his False Prophet. That time is coming soon. I will not lose any sleep over whoever is elected or whoever is defeated on Nov. 6. God is in complete control and Jesus Christ is coming soon.

I am ready... are you?
