Hearts of Love is a non-profit ministry, dedicated to spreading the Gospel of Jesus Christ whenever and wherever we find open doors. Our first priority is to glorify God and lead whomever possible to a saving knowledge of Jesus Christ as Lord and Savior. Please pray for us faithfully. We need your prayer, and we appreciate it more than we could ever say. Please consider us an extension of your ministry in this world, and support us with your prayer as such.

*May God richly
bless you!*

This is Not my best life now... Thank God!

Many look at their lives and they see poverty and sickness, longing for something better. They have little understanding of the World because no one explains it and no understanding of God's Word because no one explains it. These people are ripe to become victims of the predators who stalk the dark corridors and prance before the cameras of 'christian' television. These false teachers, these vicious creatures of the night, inspired and energized by demonic forces, prey on the helpless, the poor, the sick, those despairing of life, those desperate for different lives, for better lives; in fact, they're being taught to pay for and believe for their best lives now.

Flipping through the channels... channel 6: 'Tiffany, show us what's behind curtain #2... A NEW CAR!!! And a BRAND NEW 96" TV!!! (It might not fit in your living room but you can always set it up in the back yard.) Imagine driving home in this beauty... every pretty girl turning her head to look at **you** and every cool guy giving you a 'cool guy nod' with a 'thumbs up.' You'll be the envy of everyone you know... and it can all be yours IF... the price is right.'

Well, the price **was** right and he won the car; now his life is stupendous, even though he still can't really afford to service the car and he'll never be able to pay the hidden \$8000 tax bill. It'll all be gone by April but until then, he's living his best life now!

On to channel 20: 'I feel it in my spirit! God is here, in this place, today, to work for you; this is your day for a miracle... Don't miss your miracle from God! Put your hands on the TV screen... your point of contact with my hands... God is getting ready to shower you with a hundred fold increase... you can have it all... I feel it... it can all be yours IF... the price is right... if your 'Seed Faith Gift to this ministry is big enough, bold enough...

*He has committed to
us the word of
Reconciliation.
Therefore, we are
Ambassadors for Christ.
2 Corinthians 5:19,20*

so dig deep! Don't rob God! Don't rob yourselves! Give till it hurts! God honors sacrifice!' If you want a big miracle... give a big seed! Now! Today! Run to the phone! Operators are standing by now to prey on you!

So much today is about greed and experience. You really **MUST** have *everything* and you must experience *everything*. What else is there, after all? You only live once, so go for all the gusto! TV tells you so, billboards tell you so, movies tell you so... even the 'christian' television tells you that really, this is all there is so experience ***your best life now***... because nothing better awaits. It's obvious that is what they believe if you look at their lifestyles... many multiplied millions spent on their own greed and avarice... multiple mansions and luxury cars, jet planes, clothes, jewelry... everything the world offers and desires. They preach greed and model greed to their millions of gullible followers. 'Send me your money and God will pour out his blessings on your *faith seed*. Send me your last dollar and God will bless you even more... become my disciples of greed.' One charlatan is begging his flock for 54 million dollars so he can have a brand new private jet, a FalconX.

He needs to keep up with that other TV preacher who is so proud of his fleet of airplanes. After all, men of God, like them... religious royalty, shouldn't have to fly with the little people... even first class is so yesterday. Imagine... having to go through security or all the way down to baggage claim... inconceivable! By the way, he already has his own private jet, in fact he's had three of them but he needs this one because he could then fly anywhere in the World non-stop. 'Jesus asked me, Jesse, do you want to come up here where I'm at? Then believe me for that 'Falcon X!'

The sad reality is that no Falcon X or anything else made or done by man will allow Jesse to get anywhere but stuck on this doomed Earth. He will stand before Jesus Christ one day soon and give an answer for all of this. He could keep limping along with his current private jet, which isn't brand new... ugh! And then about a thousand pastors and their families, in foreign countries, could be supported for 5-10 years... nah... it's more important for Jesse to be able to fly over all those foreign pastors without having to ever stop in

any of those dirty, grimy places.

Kenneth Copeland said that flying commercial is like getting into a long tube with a bunch of demons. Maybe he already has enough of those hanging around him as it is. By the way, he paid cash for His Gulfstream V.

Imagine what Jesus would've said to the Pharisees if they had coerced the old widow, who brought her last 2 small coins, to instead, put them into an envelope and mail them off to the Pharisees' TV ministry... just imagine what He'll say when these TV guys stand before Him! Wouldn't want to be there!

They preach ***doctrines of demons***, as Paul warned Timothy. ***Faith is a force*** they say, a force that can work for you; you can create your own reality. If your financial *faith seed* is large enough and sent only to me, of course, God will do great things for you.

Daniel wrote that the Antichrist will honor a god of forces with gold, silver and with precious stones, which is exactly what some of these TV types are teaching their followers to do.

John wrote in 1 John, 'Little children, it is the last hour; and as you have heard that the Antichrist is coming, even now many antichrists have come, by which we know that it is the last hour. ¹⁹ They went out from us, but they were not of us; for if they had been of us, they would have continued with us; but *they went out* that they might be made manifest, that ***none of them*** were of us.'

Many antichrists have come. Some of these TV hucksters are true antichrists; they teach a different Jesus and a different gospel. 'They went out from us,' from places of sound doctrinal teaching and learning, to start their own 'ministries' of greed. Since they are not teaching their followers what true faith in the Lord Jesus Christ is and what it means to be really born again, many of them will not be taken in the Rapture; they will be left to receive and follow after the Antichrist when he comes, believing him to be the real Jesus Christ. They will be deceived then because they are being deceived now.

The 'faith' which these charlatans teach, a force which their god supposedly honors, has no relation whatsoever to Biblical Faith, the Faith of God, our true Faith in the Lord Jesus Christ and His finished work on the Cross.

The writer of Hebrews tells us the Biblical definition of Faith; he says, 'Now faith is the substance of things hoped for, the evidence of things not seen...' and, 'But without faith it is impossible to please Him; for he that cometh to God must believe that He is, and that He is a rewarder of them that diligently seek Him.'

Faith is not something we manufacture; faith is the gift of God. He has given a certain measure of faith to all humans, the faith to recognize the reality of God and that He is the Creator... but saving faith, the faith that knows the reality of Jesus Christ as the Son of God Who was crucified in our place, for our sin... that is a gift He gives only to those whom He is calling to Himself in Salvation. That faith knows, without question or doubt, the truth of what God has said in His Word... but only what God has said... not what a false teacher has said. It is the actual substance and evidence of what God has said and promised, all that we hope for when He returns for us.

Hebrews goes on to describe the faith of Abel, Enoch, Noah, Abraham, Sara and many others. Each one's faith was the

absolute certainty that what God had said was true, that God was able and willing to do what He had promised.

God has promised us many things in His Word but He has never promised to any of His chosen ones that they would live their best life now. In fact, Jesus promised us that here on Earth, before we stand before Him, we will have tribulation and persecution. He never promised any of us health, wealth, a new car or TV. Only TV carnival barkers promise those things... anything to separate us from our money.

Faith is not a force, faith does not create a new reality, faith does not create your best life now but the sad truth is that these false teachers and many of those who gather to them are, in fact, living their best lives now because the 'jesus' they know and teach is not the Lord Jesus Christ, the Son of God Who died on the Cross and rose again, Who will soon return as Lord of lords and King of kings. These are the ones of whom Jesus said, 'Many will say to Me in that day, 'Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name? And then I will declare to them, 'I **never** knew you; depart from Me...' Matt 7:22 Many on 'christian' television and many who fill churches today will be in that sad and terrified group.

Those who know Jesus Christ as Lord and Savior are patiently but anxiously waiting for His return when their best lives will finally begin forever. ***The only ones who are living their best lives now are those who are headed for Hell.***

I fear that many TV preachers and the dupes who furnish their lavish lifestyles really are living their best lives now. Don't be one of them; Begin this New Year, maybe our last year, knowing that this World is not your home. God's best is coming. Don't fall for the lie that you can live your best life now but rather, know with full assurance that you are not living your best life now by putting your faith and trust in the Lord Jesus Christ and His finished work on the Cross, believing that He died for you to pay the full penalty for all your sin: past, present and future. Then you can know that God has plans for your future that you can't even imagine, that our present minds are completely incapable of comprehending... wonderful things that only God could imagine and create for us. Very soon, maybe even today, we will hear the Trumpet of God and He will call us home, saying, ***'Wait till you see the surprise I've been preparing for you! This is what your faith purchased! Now you will see and experience the full force of just some of My most imaginative abilities. Now you will finally see some of what I'm really capable of and it's all for you, My child to enjoy forever!'***

You can touch the World for Jesus Christ... Please partner with us in these last days.
