To Infinity and Beyond!

(Buzz Lightyear understood)

Psyche is the name of an asteroid orbiting the sun, situated between Mars and Jupiter. NASA is planning a mission to reach Psyche; their probe will launch in 2022 and arrive in the asteroid belt in 2026.

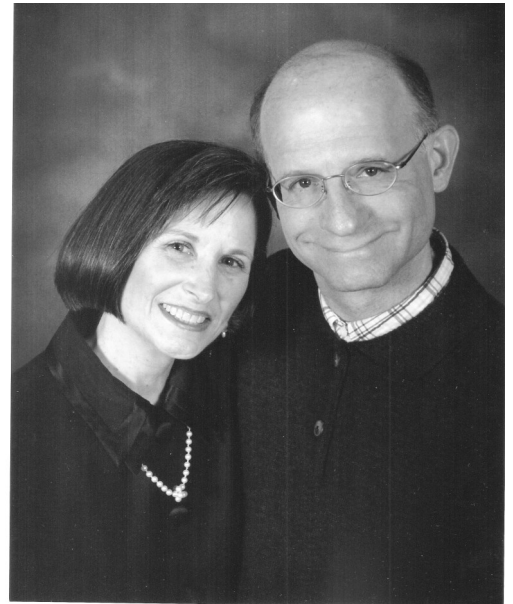

Having grown up in the 50's and 60's, those dates seem like 'science fiction,' far in the future, but in fact, 2022 is only two and a half years from now!

Somehow, 'they' have determined that Psyche is comprised of 'rare-Earth' heavy metals plus incredible quantities of gold, nickel and iron. 'They' estimate its worth to be \$700 quintillion in precious heavy metals. That huge amount of money would be like more than 70 billion dollars for every man, woman and child on Earth!

Obviously, if that much gold poured into the market, it's value would plunge... if enough gold flooded the market, its value would drop to about the same price as asphalt pavement... hmmm... what does that remind you of? Isn't there something, somewhere, about a city having streets of gold?

I doubt NASA will ever make it to Psyche because I believe the Rapture will occur very soon and the World will be plunged into the seven year Tribulation, culminating in the return of the Lord Jesus Christ to Earth, to the Mount of Olives in Jerusalem, coming with great power and glory to destroy all His enemies, accompanied by us, the born again Body of Jesus Christ, where He will set up His Kingdom on Earth to rule and reign for 1000 years as we rule and reign with Him.

His Word tells us that when we are taken up, in the Rapture, we will be changed in a moment and that our Earthly, sinful bodies will suddenly be transformed into sinless eternal

bodies like that of the Lord Jesus Christ. Our bodies will become perfected in every way; our brains will also be transformed just like all the rest of our new bodies; we will have intellects beyond our imaginations now. The Earthly geniuses of today and throughout history will seem like mere children by comparison to the mental abilities of every one of us when God gives us our new, eternal bodies.

The first rockets were developed by the Nazis; the V2 in 1942. Then, after WW2, many of the Nazi scientists were secretly brought to the US in 'Operation Paperclip.' German Nazi aerospace engineers and astrophysicists... men like Wernher von Braun, the brilliant Nazi scientist who created the V2 which killed thousands of Londoners in addition to the 10's of thousands of slave laborers who died in the factories, came to the US to help form NASA and work in our space industry. After only 27 years, rocketry advanced from the primitive V2 to the mighty SaturnV which took the first men to the Moon... only 27 years! Now, only 50 years later, we have soft-landed a rover onto the surface of Mars and we have sent probes to the outer reaches of our Solar System.

Think about it... (when I say, 'Think about it,' I really mean it... think... imagine... what **could** be possible!)

Think about it... in only 27 years... sinful, degenerate men... Nazis even, went from the first primitive rockets used in warfare to putting a man on the Moon and bringing him safely back. If that was possible in only that short amount of time, just imagine what could be accomplished by groups of men and women in glorified, eternal bodies, having perfect brains, able to figure out anything. What incredible, unbelievable kinds of things will they invent during the 1000 years of Jesus Christ's Kingdom on Earth... what kinds of things could they discover in only days or weeks? Every one of them will be led and directed by the Holy Spirit Himself living within each of them.

I am amazed at the number of Christians who are afraid to use their imaginations, as if imagining currently unbelievable things was somehow irreverent or displeasing to God.

He is the One Who told us, in 1 Cor 2, "What no eye has seen, what no ear has heard, and what no human mind has con-

ceived" the things God has prepared for those who love him, these are the things God has revealed to us by his Spirit.

Things which no one has yet seen or heard... things which no one has yet even imagined, these are the things which God has planned and prepared for us and He invites, even challenges us, to use our imaginations, to even think beyond what we are able to imagine. No matter how big or seemingly impossible we can imagine... the things He has for us are far greater still and it will be His joy to give us those things as eternal rewards for our faithful service now on the Earth.

That's right... His joy! The Lord Jesus Christ is fully God but He is also fully human. If you were fabulously wealthy, if you owned everything, having everything would not be what would bring you joy but rather, showering unbelievably wonderful gifts on your children who love you and whom you love beyond measure; that is joy unspeakable; **we are His joy; we are His beloved; we are His treasure**; we are the ones for whom He was willing to go through the Crucifixion.

His joy throughout His 1000 year reign will be in blessing us in ways we can not even imagine.

Later, in 1 Cor 9, Paul tells us that our current lives on Earth are like a long distance race, that we are to run the race keeping our eyes on the future prize.

What is the prize for which we are to faithfully run, enduring all that the kingdom of darkness puts in our way?

The prize we run toward is first, the Lord Jesus Christ Himself; He is our prize, He is our joy and He is our treasure, eternity with Him. Our prize is also our new, eternal glorified bodies, like His own. Our prize will be ruling and reigning with Him for 1000 years and then forever. Our prize is that we are fellow heirs with the Lord Jesus Christ... literally everything in the Universe and beyond is His and He will delight in sharing all of it with us. Finally, our prize is an eternity filled with everything that God Himself can imagine that will be a delight for all of the senses of our glorified eternal bodies. Think about it... everything that gives our physical bodies pleasure now... some are good and some

are evil... but then, within our eternal bodies, there will be no sin nature and God Himself will delight in creating unbelievable things to delight our glorified bodies. Again, here is another area where so many are afraid to imagine. Don't be afraid to imagine. God gave us our imaginations to use.

In Philippians 3, Paul says that everything on Earth is but garbage in comparison to what awaits us, especially that we will 'have' the Lord Jesus Christ and everything else that awaits us. He writes, 'Not that I have already attained or am already perfected; but I press on, that I may lay hold of that for which Christ Jesus has also laid hold of me... I press toward the goal for the prize of the upward call of God in Christ Jesus... enemies of the cross of Christ... whose end is destruction... set their minds on earthly things.... (but) our citizenship is in Heaven, from which we also eagerly wait for the Savior, the Lord Jesus Christ,' ²¹ **who will transform our lowly body that it may be conformed to His glorious body**, according to the working by which He is able even to subdue **all things to Himself**.

Too many Christians make the mistake of thinking that when we are Raptured, when we stand before Him in our new glorified bodies, that we will become some kind of new creature, something different than we are now. The only difference between who we are now and

who we will be then... is that then we will not have any sin nature. We will be perfect throughout, but we will still be who we are now. God's Word tells us that He is **now** conforming us to His will... now He is the One Who is working in us to bring about His perfect will and He will have accomplished that by the exact time of the Rapture.

Who we are now is who we will be then. To the degree we allow Him to change us now... is who we will be then. To the degree we choose to learn to love Him and be intimate with Him now is the degree to which we will love and know Him then.

We already became a 'new creation,' the moment we became born again. That is the moment our new spirits became 'one' with God's Holy Spirit. That is when 'all things became new.' He already recreated us... He won't be doing it again: 'If anyone *is* in Christ, *he is* (now) a new creation; old things have (already) passed away; behold, all things have become new.' 2Cor 5:16

Whatever our Earthly passions and talents are now, if not sinful, that is what

God is preparing us to do in the future. If you are a Christian astrophysicist now... just imagine the super-genius astrophysicist you'll be then. If you are a builder now... imagine how God could use a super-genius builder then. If sinful man can reach Mars in only 50 years... just imagine what a group of super-genius scientists, working together, led by the Holy Spirit, could accomplish in just one year then, let alone what could be accomplished in 1000 years.

In Genesis 11, when Nimrod began to build the Tower of Babel, God said that mankind, working together with a common language, could accomplish anything that they imagined, so He scattered them by confusing their languages.

In the Millennium, we will be super geniuses, reaching the stars and beyond. Today, our minds can not even imagine what awaits us in Eternity but even the small amount we can imagine, God has planned for it to be a strong incentive to ***walk in a manner worthy of the calling with which we've been called***. Eph 4:1 *Too bad I've run out of room here; we could have imagined so much more together.*

You can touch the World for Jesus Christ... Please partner with us in these last days.
