Wake Up Sleeper!

Something profound is happening all around us while many Christians seem to have buried their heads in the sand, hoping if they pretend everything is good and normal, it will be so. Sadly or gladly, it's not. Look around; look beyond the lies of the Mainstream Media. Everything is not good and normal; what we are seeing are the World's birth pangs leading to the Tribulation, the appearance of the Antichrist and then the return of the Lord Jesus Christ at Armageddon.

Portland has become World renowned having been, for more than two months, like many other Democrat run cities, nightly torn by rioters bent on tearing down government and civilization with mayors and governors unwilling, or unable, to quell the destruction and so, the President, while met with near universal resistance from the Worldwide Left, has begun sending in federal troops to take back control of these Leftist-run cities. However, contrary to their plans to bring him down, this is possibly what will bring about his reelection in November. People who can still think want nothing to do with what they see; they want peace in the streets and they want law and order restored in America. Many, who've voted Democrat all their lives, will grudgingly pull the lever for Republicans this time. The rioting, which no Democrat has condemned, coupled with the virus, seemingly planned by Bill Gates and other behind the scenes World leaders, are being used in their five year-long attempt to destroy the Presidency of Donald Trump but they will, instead, perhaps bring about a landslide reelection for the President because he alone, among all the World leaders, has stood in the way of

One World Government.

All we see happening has one purpose: to precondition us while testing how easily the World's population can be brought to heel, how quickly we can be forced to submit to the planned, and coming, One World Government of the Antichrist. The Bible calls this the Mystery of Lawlessness. We can observe, while little understanding, how people can think and act so opposite to common sense and civilized behavior, how they can so easily welcome and become evil. The many and varied rules: the capricious ever-changing orders about wearing facemasks, which, in reality offer little to no real protection against the tiny particles of a covid virus, the social distancing rules which apply only to law-abiding citizens while rioting criminals are free to gather and destroy at will, the intrusive regulations for contact-tracing with people having to report anyone and everyone with whom they've had even minimal contact, compelled to 'snitch' on family and friends, the arbitrarily enforced regulations for gatherings and so many others, they have all been a *test run* to test and demonstrate how quickly the World system can be changed into a One World Government headed by a select few who will then give over their

power and authority to the Antichrist. Churches have been especially targeted and singled out. The Supreme Court just rejected the suit, brought by a Calvary Chapel in Nevada, challenging the governor's edict limiting church gatherings to only 50 while simultaneously allowing theaters, casinos and many others to reopen with many more than 50. New York City Mayor Bill de Blasio even singled out churches and synagogues, threatening to *permanently* close them if they held worship services and did not disperse. Many of the churches who've ceased coming together for worship will probably never come together again... many church buildings will be permanently closed or converted to use as museums or libraries, mirroring what happened in Europe generations ago.

What we are seeing, what we are experiencing, is the beginnings of actual persecution of Christians in America. We never dreamed it could happen here. We short-sightedly believed everything would continue on swimmingly until we were whisked away, in the Rapture, to leave it all behind but come to find out, we're still here, the persecution is real, growing and

will soon worsen dramatically.

To those with eyes to see, and ears to hear, they don't need any of this to be explained, they see it and have expected it for some time. There are those whom the Bible calls 'watchmen,' who've seen and warned for many years; all that they've tried to prepare us for has finally begun to come upon us.

We now find ourselves in the time which mirrors Weimar Germany and the rise of Hitler in the early '30's. A recent CATO institute survey found that 62% of Americans, with 77% of Republicans, are afraid to reveal what they believe regarding politics and the things we see playing out around the USA and the World. The tactics being deployed are the same as those employed by Germany's then Communist Party which led directly to the rise of the Nazis. Today, as they did then, they wear black. And, if one would pay attention, the name, the flag and emblem of today's 'Antifa' are nearly identical to those of the Communist Party in early Nazi Germany which led directly to the rise and takeover by the demonic Adolph Hitler and the Nazis, a prefigure of the coming Antichrist and his One World Government. The Communists then, with their Antifa like flag were Hitler's excuse, along with his demonization of Jews, to seize power. Perhaps the growth and strength of today's Antifa, around the World, will be the Antichrist's excuse, along with his demonization of Jews and Christians, to also seize power.

The appearance of the Antichrist has been planned and perfected, by Satan, for thousands of years. He will be the 'son' in the Tribulation's mockingly unholy trinity: Satan, the Antichrist and the False Prophet. Satan, from Scripture, seems to believe that he could actually defeat the Lord Jesus Christ when He returns: 'How you are fallen from heaven, O Lucifer, son of the morning! How you are cut down to the ground, you who weakened the nations! For you have said in your heart: 'I will ascend into heaven, ***I will exalt my throne*** above the stars of God; I will also sit on the mount of the congregation on the farthest sides of the north; I will ascend above

the heights of the clouds, ***I will be like the Most High.***¹ Isa 14

Satan is coming to rule the entire World through his 'son,' Antichrist.

It may sound as if I'm trying to cause fear in the hearts of God's children; I'm not; nothing could be further from the truth. I simply want all of us to wake up and open our eyes to the fact that we really are in the End Times; this really is the time that Jesus Christ and writers of Scripture told us would immediately precede His return. We are witnessing God's culmination of human history. We, above all people, should be encouraged and hopeful in the face of the burgeoning onslaught.

First, we can know and understand that at any moment, the Lord Jesus Christ will come down into the clouds and call us up to Himself: *'Behold, I tell you a mystery: we shall not all sleep, but we shall all be changed in a moment, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, and the dead will be raised incorruptible, and we shall be changed.'* 1 Cor 15:51

*'Beloved, now we are children of God; and it has not yet been revealed what we shall be, but we know that when He is revealed, we shall be like Him, for we shall see Him as He is.'*³ And everyone who has this hope in Him purifies himself, just as He is pure.' 1 John 3:2

We may face persecution as Christians in the coming weeks and months, even

fierce persecution, but we know that we have His promise to always be with us: *'Be strong and of good courage, do not fear nor be afraid of them; for the Lord your God, He is the One Who goes with you. He will not leave you nor forsake you.'* Deut 31:6

As is happening in many parts of the World, some of us may even be arrested: *'But when they deliver you up, do not worry about how or what you should speak. For it will be given to you in that hour what you should speak; for it is not you who speak, but the Spirit of your Father who speaks in you.'* Matt 10:19

What should we, as believers, as Children of God, be doing in these changing and difficult times? Some think we are to be challenging the government, that we should be resisting, protesting or even joining those who are causing so much destruction and societal disintegration, that our Christian duty is to come alongside those who claim victimhood amid widespread discrimination when in reality we should have the wisdom to be discriminating between good and evil, between what builds up and what tears down and between what is Godly and what is demonic.

Our command is to preach the Gospel to whomever, wherever we are. Our living Godly lives is not enough; that is not ***displaying the Gospel; our lives are not the Gospel and our good deeds are***

not the Gospel; they are the result of our having heard and believed the Gospel. The only way we ***tell the Gospel*** is with our mouths as we tell forth the Good News that all of us, sinners, can be forgiven and have Eternal Life by trusting in the finished work of the Lord Jesus Christ through His life, death and resurrection. If we fail to do that, all our good works, all our *loving our city and feeding the poor* is worthless and filthy rags in God's sight. We are commanded to love those around us enough to tell them Who will rescue them from eternity in hell and how to attain His gift of Eternal Life for themselves.

As we do tell forth the Gospel, we will face rejection and persecution which will grow increasingly fierce if God's plan to send His Son down into the clouds to call us home in the Rapture is held for off much longer. If we willingly and patiently endure persecution, even to the point of being martyred for the Gospel we are promised that God will strengthen and uphold us, that He will never abandon us and that He will richly reward us beyond anything we could ever think or imagine. Prepare your heart and mind for what may be coming to us shortly.

Time is short, God's rewards and our home in Jew Jerusalem will endure forever; eternity is never-ending.

'Awake, sleeper, arise from the dead! And Christ will give you light.'

You can touch the World for Jesus Christ... Please partner with us in these last days.
