### **I Will Never Leave You.**

**W**e are in the time which the Bible calls, The End Times. The event which marked the beginning of God's final countdown to the return of the Lord Jesus Christ and His thousand year Kingdom on Earth occurred on May 14, 1948 when Israel declared her Statehood after having been lost to the sands of time following Rome's conquest and dispersion of the people of Israel, in AD 70, among the nations of Europe and Russia. Ever since that day, 72 years ago, those who have loved and longed for Jesus Christ's return for His Church, in the event which the Bible calls the Rapture,\* have searched the Scriptures and examined current events, as did those who looked for and expected His first advent, more than 2000 years ago.

Soon after the Rapture a man will come to power whom the Bible calls the Anti-christ who will be History's most wicked and powerful tyrant ever. He will rule the entire World and cause everyone to receive his mark of allegiance, the Mark of the Beast, 666, without which no one will be able to buy or sell.

Many have tried to set the date for Jesus' return in the Rapture but they have always been wrong and they should have known they were wrong, even if Jesus Christ had not said that 'No one knows the day or the hour of His return,' because never before was it possible for one man to rule the entire World and to prevent anyone, anywhere from buying

or selling without his Mark. Europe has long been 'on board' for a single man to rule over a Universal government. The thing that most stood in the way was the United States as the one nation which most espoused freedom and was willing to fight for freedom even beyond its own borders. That is no longer true. During the Obama years, the Left was almost able to fulfill Obama's dream of 'fundamentally transforming the USA' into the image of Europe's drive toward a One World Government. They were certain that, with the sure election of Hillary Clinton, their dream would be complete but one man stood in their way, Donald Trump, and by extension all those who voted for him, which is why the entire World hates him, and his supporters, with such a deep and visceral hatred.

The Left are so blinded by hate they are incapable of discerning what is true and what is false.

Noam Chomsky, a leftist professor stated, Trump is the 'Worst Criminal in Human History.' There is no point

in even commenting on something so abjectly idiotic... that is the heart of today's American Left. Regarding Trump's humanity and the truth about any number of things... today, they say that up is down, black is white, good is evil and evil is good.

The United States is in moral free-fall as everyone does what is right in their own eyes. Rioters and looters mock the police as they steal and destroy right in front of them; the police have been restricted from protecting people or property. If a property owner holds a gun in front of his store or home, he is the one who will be arrested while his property is surrendered to the mob.

Most Christians are blithely unaware of the extreme seriousness of the Supreme Court's latest attack on truth and freedom. Like the Court did during Obama's administration, when they invented, from nothing, the Constitution's newly found recognition and protection of homosexual marriage,

they have now added to what was previously meant to protect women from discrimination, the new categories of sexual orientation and gender identity. In other words, today, in America and around the World, global insanity has replaced God given common sense.

As I thought about these things I could not understand what was bothering me. Then it hit me: I am experiencing fear. We have always thought that as Christians, as humans, as Americans we were protected from the chaos running rampant across the globe. At least here, we thought, our God given rights of expression, free speech, assembly, religious worship and gathering were protected. We thought America would protect us; we are seeing clearly that it will not. We thought the supposedly increasingly conservative Supreme Court would protect us; they, too, are now seen to be working toward One World Government, seeking to conform our laws to those of Europe and the U. N. Their recent decision in 'Bostock v. Clayton County Georgia' will result in disaster for Churches, Christian Schools, Christian Ministries and every business person who believed they could run their business as they chose and hire and fire whom they chose. They will be inundated with lawsuits seeking to force them to hire homosexuals, transgenders and various gender identities across the full spectrum. A Church will be forced to hire men who dress as women, bathrooms across the country will be opened up. It would take too much space to list the coming disaster for Christians. Suffice to say, we will quickly be marginalized and persecuted beyond our wildest expectations. We thought persecution of Christians would stay across the oceans; we were wrong.

We thought Donald Trump could, to some degree, protect us; we were wrong; he is being increasingly margin-

alized by the hate filled evil and rabid Left.

Here is reality: we knew the time would come when the whole World would go insane, that it would be like the days of Noah and of Lot; we thought it would stop at our borders; we forgot that America is part of the World. We thought that everything in America would remain sunshine, butterflies and roses until the Rapture; then it would immediately turn dark and evil; we were wrong.

The Left have begun dismantling America beginning with her statues. They started with statues related to the Confederacy. Then they moved on to most any white person. If they could, they would dynamite Mt. Rushmore.

Shaun King, a white person pretending to be black, acting as a spokesperson for BLM has declared that all artwork, statues, stained glass windows and paintings of Jesus and Mary, showing them having light skin should be destroyed; they foster white supremacy... never mind the fact that Mary and Jesus were Jewish and most Jews around the World have light skin. Mary was mostly Jewish and Jesus was almost

half-Jewish; He had a small amount of Gentile DNA and the other half was all God Who is definitely not Jewish, Gentile, Black or White.

In 2001 the Taliban, in Afghanistan, destroyed the Buddhas of Bamyan. In 2015 ISIS destroyed the ancient Syrian ruins of Palmyra. In 1949 Mao Tse Tung and his Communists began destroying the ancient art and wisdom of China. In 2020 the American Left began destroying America's heritage, art and history. They are becoming more and more like Muslim and Communist fanatics every day.

They say that those who forget the past are destined to repeat the mistakes of the past. Those who erase the past will most definitely repeat all the mistakes and many more as well.

When I realized my concern... no, my fear, regarding what is transpiring in this once free and honorable nation and my place in it, I wondered if perhaps you might be feeling a little apprehension as well.

Finally, 'whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely

whatever things are of good report, if *there is* any virtue and if *there is any* thing praiseworthy, let's meditate on these things.' Phpp 4

Soon we will experience the greatest adventure any person ever has when He comes for us in the Rapture. Let us recognize that the time before that is also our greatest adventure yet; if we never really have before, we can choose to trust Him to care for us and watch over us as His beloved children. Who, in the Bible, were the greatest blessings to God? They were those who chose to trust Him is the direst of circumstances. Those like David, Daniel, Joshua and Caleb, Mary, Paul and of course, His own Son Who unquestioningly trusted Him in all things, even to the Cross.

When I stand before Him, I want to see Him smile because I blessed Him by trusting Him implicitly in all things. Don't you?

Jesus said, 'I will never leave you' and 'I will return for you.' His return for us will be very soon! We can hold on and trust Him until that day.

\*Granted, the word, Rapture, is not in the English Bible but the Greek word Paul used, 'Harpazo,' meaning to be snatched away quickly and by force. That Greek word was translated into the Latin which was, raptus from which we get the English, Rapture... so yes, the Rapture is in the Bible.
