Hearts of Love is a non-profit ministry, dedicated to spreading the Gospel of Jesus Christ whenever and wherever we find open doors. Our first priority is to glorify God and lead whomever possible to a saving knowledge of Jesus Christ as Lord and Savior. Please pray for us faithfully. We need your prayer, and we appreciate it more than we could ever say. Please consider us an extension of your ministry in this world, and support us with your prayer as such.

***May God richly
bless you!***

Nothing New, under the Sun Just More Lies and Deception

At the end of this month, we will celebrate 30 years of ministry on the Radio, every Sunday night, as Hearts of Love. Everyone says, 'Happy New Year!' We're led to believe that everything is new again. We can leave the old behind and step into a glorious, shining new beginning but sadly, when the alcohol wears off and one wakes with a rotten hangover, he experiences the glorious revelation that nothing is new at all. Everything remains the same as it was yesterday; in fact, everything is slowly becoming far worse than it was yesterday, yestermore and yesteryear. Day by day, the governments of the World and those with power and authority over us, prove themselves to be as evil and corrupt as any despot from the annals of history. Even for the Christian who didn't party hardy, drinking and carousing, life on this planet is growing demonstratively worse and worse; we can almost hear the hoof beats of the Four Horsemen of Revelation chapter Six.

One word describes the current condition of the World: deception!

When Jesus' disciples asked Him, 'what shall be the sign of thy coming, and of the end of the world?', He replied, 'Take heed that no man deceive you.' The very first thing He said was a warning against deception; in other words, deception would be the hallmark of the time just before His return.

We are being deceived at every turn: A man clearly unfit to even tie his own shoes received 81 million votes, winning a fair and free national election while anyone with half

a brain, who knows better, is expected to simply shut up and go along unless you want to be cancelled.

In other lies: any man can now become a woman just by putting on a dress, or not, and claiming to 'identify' as a woman; he can then use women's restrooms, locker rooms, etc., enter into women's sporting events, crushing the competition of genuine women and those reporting simply clap like trained seals.

Fat and obesity are now said to be healthy and celebrated; to imply anything else is racist. Why racist? According to HHS.gov, 80.6% of black women are overweight or obese. Never mind the fact that 64.8% of white women are also obese so to encourage black women and every other woman to eat, exercise and live a healthier lifestyle is now racist.

We're being told that exercise is, in fact, racist; being on time is racist; expecting students to work to achieve good grades is racist; being a white person is racist.

Our nation's economy is falling apart, ready to collapse, but we are far better off than we were two

years ago... aren't we!

We are sending untold billions of dollars to Ukraine to secure their borders while unvetted aliens from around the World, any number of whom could be Islamic terrorists, are pouring over our southern border, spreading out to every city which are already being overrun with the homeless living in tents and under tarps... no problem!

Just look the other way.

And, of course, the years of phony covid restrictions, all intended to bring the World's population under the complete control of the World's 'Elite': Over the past two years, young, healthy people around the World are suddenly dropping dead for, supposedly, no known reason but the truth is not difficult to ascertain: it is happening to otherwise healthy people who happen to have one thing in common: they all obediently received their mandated covid vaccines and boosters in order to keep their jobs or stay in school or be able to travel.

'From 1990 to 2020, all deaths reported to VAERS (Vaccine Adverse Event Reporting System) on average, ranged between 250-450 per-

sons who died from a vaccine reaction. In 2021, the year the COVID vaccine was being administered, that number shot up to 22,049, and 12,260 in 2022. What was the CDC's reaction to those numbers? They disavowed their own site and their own reporting system.'

We are told we must buy electric cars to save the planet but no one seems to notice that the electricity to charge those cars must be produced by coal and oil fired turbines. Even those we Christians trusted to tell us the truth now choose, instead, to lie because... well, really, I can't think of any good reason why they do, but,... many pastors, today, refuse to believe and teach the whole truth of all the council of God's Word. They seek the love and approval of those in the World rather than the approval of God. They willingly deny, to themselves, the very scorching truth of their soon coming appointment to stand, alone, before the same Lord Jesus Christ Whose Word, they deny. So many, today, refuse to believe and teach the truth of End Times Prophecy which we see being fulfilled daily.

Christian singers are abandoning, in droves, their once touted reliance on the Lord Jesus Christ and their Christian 'fan' base. Now they turn to the stars and star-makers of Hollywood and Nashville. Amy Grant, who left her moorings as a 'Christian singer to be known, rather, as a crossover pop star, with a strong homosexual following said, "None of us are a surprise to God. Nothing about who we are or what we've done. That's why, to me, it's so important to set a welcome table. Because I was invited to a table where someone said 'Don't be afraid, you're loved.' ...Gay. *Straight. It does not matter.*" "It doesn't matter how we behave,"

We are so thankful for our radio sponsors so please do pray for them, and use their service. Thank you.

Pray for the health and prosperity of our radio sponsors, their families and their businesses, as they help spread the Gospel. (All area codes: 503)

Grant continued. "It doesn't matter how we're wired. We're all our best selves when we believe to our core, 'I'm loved.'" She is strongly supported by unapologetic 'homosexual christian' singers: Semler, aka Grace Baldrige, a queer Christian artist, and Trey Pearson.

Of Lauren Daigle, a huge star, 'Eight minutes into the interview, after talking about criticism she's got for what she wears while singing worship songs, Nati said: "I hate to do this to you Lauren but I usually ask tough questions so is that alright if I ask just a couple of ones that are tougher and you can let me know if you wanna answer them? She replied: "Ok, cool." "Well, just 'cos we were talking about Ellen [DeGeneres] ...do you feel that homosexuality is a sin?" After a pause, she responded: "You know I can't honestly answer on that...I have too many people that I love that, they are homosexual, I don't know. I actually had a conversation with someone last night about it and I was like 'I can't say one way or the other, I'm not God'. So, when people ask questions like that, that's what my go to is. I just say read the Bible and find out for yourself and when you find out let me know 'cos

I'm learning too." (I guess we shouldn't be surprised that a 31 year old product of our American educational system is incapable of reading and understanding words written in plain English.)

All these people claim to know and love 'so many gay friends and family'... but do you love them enough to tell them the truth: that fornication of any kind is sin which includes any sexual activity outside of God's only ordained marriage, between one man and one woman and that even beyond that, God singles out homosexuality as an abomination before Him?

We could go on and on... so much about American life, today, is built around constant lies and deception so let us end this writing with some encouragement, reminding us that, although we live *in* this world, we are not *of* this world. Knowing the Truth, which is God's Word, will guard us from deception. If we have just one focused pursuit in this new year, let us determine to set our minds and hearts on the things above, asking God to meet us in His Word as we open our Bibles with the determination to know Him and what He has spoken to us, to guard

us from, and warn us about the lies of the enemy of our souls who has spoken lies that are being embraced by those who practice deception. We must know the Truth in order to recognize lies in today's woke culture! Over these past 30 years, we have striven to faithfully preach the Word of God, all the Council of God. We look for the return of the Lord Jesus Christ at any moment; we seek to set our hearts on things above, forgetting what lies behind as we press on toward the upward call of God in Christ Jesus.
